I got a 30 clip for the niggas that talk that shit
Don't play any games, nigga, we gonna blow that shit

Everywhere I go my niggas roll in
Hold it, big gun, nigga, you've ever blow it?
Niggas mad 'cause of a bitch, but the hoes come and go
I'mma let you niggas know that my niggas damn blow
So from head to toe I let rockets go
Yeah, my head just froze and my watch is cold
Yeah, I'mma keep it 30 'fore you fuck niggas
I don't trust niggas, can't fuck with 'em
These niggas is snakes, these niggas is fake
Get in the way, I'mma get the k, I'mma spread his face
But the game nigga you don't wanna play

I got a 30 clip for the niggas that talk that shit
And if you want this shit then my nigga damn blow that shit
Many times I learn, my dick, baby learn my crew
So nigga what they do? They follow your word nigga,
what about you?

I got a 30 clip for the niggas that talk that shit
And if you want this shit then my nigga damn blow that shit
And I'm steady rolling, I'm steady rolling
Got them off the oven, but I know where they going

I got a 30 clip for the next nigga that talk that shit
And best believe when my niggas shoot they don't miss

Got your mean bitch and your sad bitch on my dick
I kick them out, I don't need them hoes for shit
We flexing, they intelligent, they sexy
If you a man whore then we take them down for them bricks
We ain't got time, we reckless and we get it
If your men die don't ax, we will beat it

If you talk money then best believe Iâ'm with it
Iâ'mma spark up just give me one minute
And your bitch always said that she with it
So I might just go get her a minute

I got a 30 clip for the niggas that talk that shit
And if you want this shit then my nigga damn blow that
shit
Many times I learn, my dick, baby learn my crew
So nigga what they do? They follow your word nigga,

Now nigga mad â'cause why we fucked his bitch
When Iâ'm bawling, she stalking
Noâ... no telephone, stop talking
Been at it for a minute, Iâ'm a nigga whoâ's gonna kill
