Well it's 7:45 on Friday morning,  
He just crawled outta bed.  
He stayed too long at the Chicken again  
And he's got an achin' head.  
He's got an 8-o'clock at Heldenfels  
His prof speaks Japanese.  
Went broke on beer and Mr. Bills  
Now he lives on bread and cheese.

He's a fightin' Texas Aggie and he just don't give a  
damn  
That he's got 3 parking tickets  
And he's on sco-pro again  
But the bonfire's built  
And Varsity's horns have been sawed right off his  
head,  
He's a fightin' Texas Aggie  
And he will be 'til he's dead.

Well it's Wednesday morning at Gollie Rollie  
His sports pass in his hand  
He's been waitin' three days in the blazin' sun  
Just to be with his twelfth man  
But after fumbles and interceptions  
He takes his girlfriend's hand  
But the game don't mean a thing to her  
She's just there to see the band

He's a fightin' Texas Aggie and he just don't give a  
damn  
That he's got 6 parking tickets  
And he's on sco-pro again  
But the bonfire's built  
And Varsity's horns have been sawed right off his  
head,  
He's a fightin' Texas Aggie  
And he will be 'til he's dead.

Well he goes down to the Dixie Chicken  
He's dunking his ring tonight  
He's there at 6:30,

He thought it'd be early  
But there ain't a table in sight  
So he buys his pitcher anyway  
And he drops his ring on in  
Singing, "the road goes on forever  
And the party never ends"!

He's a fightin' Texas Aggie and he just don't give a  
damn  
That he's got 9 parking tickets  
And he's on sco-pro again  
But the bonfire's built  
And Varsity's horns have been sawed right off his  
head,  
He's a fightin' Texas Aggie  
And he will be 'til he's dead.

Well it's one-o'clock  
And "Goodnight Irene" is blarin' through the place  
He parked about 50 blocks away  
So he ain't got time to waste  
When he finally makes it to his car  
He stands up on his feet  
He says, "Boy's lets head to Taco Cabana,  
I think I need somethin' to eat."

He's a fightin' Texas Aggie and he just don't give a  
damn  
That he's got 12 parking tickets  
And he's on sco-pro again  
But the bonfire's built  
And Varsity's horns have been sawed right off his  
head,  
He's a fightin' Texas Aggie  
And he will be 'til he's dead.

Well he picks up a "Battalion"  
Just to see what's going on  
But all he finds to read about  
Is what we're doin' wrong  
"This school's too damn conservative!"  
I guess they want us to be  
Like all the hippies down in Austin  
Wearin' orange and sippin' tea.

He's a fightin' Texas Aggie and he just don't give a  
damn  
That he's got 12 parking tickets  
And he's on sco-pro again  
But the bonfire's built  
And Varsity's horns have been sawed right off his

head,  
He's a fightin' Texas Aggie  
And he will be...'til he's dead.  
Ah-hah!
