Out my door the leaves are falling
The cold wild wind will come
Sweethearts walk by together
But I still miss someone

I go out on a party
To look for a little fun
But I find a darkened corner
?Cause I still miss someone

Oh, I never got over those blue eyes
I see them everywhere
I miss those arms that held me
When all the love was there

I wonder if she?s sorry
For leavin? what we?d begun
There?s someone for me somewhere
But I still miss someone

Oh, I never got over those blue eyes
I see them everywhere
I miss those arms that held me
When all the love was there
