Woahh woahh woahh oh oh
Woahh woahh woahh oh oh
Woahh woahh woahh oh oh
On top of the world
Woahh woahh woahh oh oh
I'm going under
I'm burning bridges tonight, tonight
Don't need your number
It's gonna happen tonight, alright

Your playin it cool right now
But I'm the mood so I'll be hangin around
You know I can read your mind
Cus your eyes, they keep on askin for somethin

Tell you now straight up
All the lights light up
And it's you that's got me back on the floor
Yeah my mind shuts down
And I want you tonight, girl
It's you that's got me beggin for more

Tonight it's goin down
When no-one is around
I'll be on top of the world
When I'm on top of you girl
Aint no doubt about it
I know you want it now
I'll be on top of the world
When I'm on top of you girl

You got the puzzle
I got the pieces alright, oh oh oh alright
Just like the music
My heart is pumpin inside, inside
And I'll meet you halfway now
I know that you want me
But your playin it down
I'm savin it all for you
Cus your eyes, they keep on askin for somethin

Tell you now straight up
All the lights light up
And it's you that's got me back on the floor
Yeah my mind shuts down
And I want you tonight, girl
It's you that's got me beggin for more

Tonight it's goin down
When no-one is around
I'll be on top of the world
When I'm on top of you girl
Aint no doubt about it
I know you want it now
I'll be on top of the world
When I'm on top of you girl

On top of you girl
On top of you girl
On top of the world
When I'm on top of you girl

On top of you girl
On top of you girl
On top of the world
When I'm on top of you girl

Your playin it cool right now
But I'm in the mood so I'll be hangin around
You know I can read your mind
Cus your eyes, they keep on askin for somethin

Tell you now straight up
All the lights light up
And it's you that's got me back on the floor
Yeah my mind shuts down
And I want you you tonight, girl
It's you you that's got me beggin for more ore ore ore

Tonight it's goin down
When no-one is around
I'll be on top of the world
When I'm on top of you girl
Aint no doubt about it
I know you want it now
I'll be on top of the world
When I'm on top of you girl

Tonight it's goin down
When no-one is around
I'll be on top of the world
When I'm on top of you girl

Aint no doubt about it
I know you want it now
I'll be on top of the world
When I'm on top of you girl girl
