I think beauty's overrated
Cause that's something anyone can be
Attraction, now that's something different
And thankfully your both to me

Chorus:

Cause I've learned
In this life
You gotta be with someone you like
And if you think
We've got
What it takes to go the distance I can tell you now
Ah yeah, ah yeah, ah yeah
Ah yeah, ah yeah, ah yeah
Ah yeah, ah yeah, ah yeah
Ah yeah, ah yeah, ah

Chrisette:

Your sweet
And you see through me
You let me be free
I'm woman
The only one I'll be
The only one you'll ever need
And your the very same for me

Chorus:

Cause I've learned
In this life
You gotta be with someone you like
And if you think
We've got
What it takes to go the distance I can tell you now
Ah yeah, ah yeah, ah yeah
Ah yeah, ah yeah, ah yeah
Ah yeah, ah yeah, ah yeah

Things can get so real in love
You gotta know exactly how you feel in love
Cause if you don't then maybe you will find that love

may be all inside of
Your mind

Oh ah, oh ah, oh ah ah (repeat)
