So you'll tell me something strange is going on
And you'll tell me that our story is going wrong
Though love is better left unsaid
But since you asked me, just listen to my prayer

All I have is my soul
More than I can say
Only my soul
To hope and to pray
If you know me at all
You will find the way
All I have is my soul
And my voice to pray

And then you say I'll remain a part of you
That our love carry on whatever we do
But what's asked is so often hard to see
If you wanna keep it just listen to my plea

All I have is my soul
More than I can say
Only my soul
To hope and to pray
If you know me at all
You will find the way
All I have is my soul
And my voice to pray

I'd rather be dead
If I lose my faith
If I'm condemned
I will answer my fate
I'll kneel down at night
My love will take control
'Cause I am what I am
All I have is my soul
I am what I am
All I have is my soul

H? yeah.
