[Verse 1:]

I'm solo dolo shit I might just hit the club  
Gotta little bit a nuvo You know I'm getting turnt up  
Ain't got no girl calling my phone telling me Joe you  
Need to come home  
Fuck it I'm grown I'ma stay out however long I want to  
Get high as I want to  
This loud got me aviated I'ma need a parachute  
But let me stop acting like everything cool  
Cause when I play that frank ocean all I'm thinking  
Bout is you  
Remember when you was my boo and I was your man  
We had each others back like robin to batman  
And I can't see another man  
Touching call you baby if I saw it I would go crazy in  
My heart  
You still my lady baby  
Uh and I can't believe I let you go  
It was either you or the studio  
And I chose to listen to my intuition but now I'm  
Thinking  
Did I make the right decision?

[Hook:]

Baby I'm sorry for giving up on us  
We had the good times and we had the rough  
Thought you was sent from heaven girl I love you so  
Much  
Why do I keep running from love?  
Why do I keep running from love?  
Why do I keep running from love?  
Keep running, Keep running  
Why do I keep running from love?  
Keep running, Keep running

Why do I keep runing from love?

[Verse 2:]

Baby tell me do you miss it?  
Them movie nights them big ol' fights and late night  
Visits

All them times I used to get it girl your favorite was  
From the back  
Feel like chris brown man I want it all back  
Uh and you gave me all your love and what I do?  
Turned around and gave it up  
And I apologize for being naive as fuck  
Only thinking about me instead of thinking about us  
And I can't believe I let you go it was either you or  
The studio  
And I chose to listen to my intuition but now I'm  
Thinking  
Did I make the right decision?

[Hook:]

Baby I'm sorry for giving up on us  
We had the good times and we had the rough  
Baby I'm sorry for giving up on us  
We had the good times and we had the rough  
Thought you was sent from heaven girl I love you so  
Much  
Why do I keep running from love?  
Why do I keep running from love?  
Why do I keep running from love?  
Keep running, Keep running  
Why do I keep running from love?  
Keep running, Keep running  
Why do I keep runing from love?

I don't wanna run no more
