[Verse 1:]

Hello  
Baby I'm on my way  
No time for conversation  
Sick and tired of waiting and I'm not  
So tell me are you ready for this here?  
Gonna take you to the stars  
We're so many light years away  
Baby we're so far away from earth  
There's no gravity so I don't think you need that skirt  
Or that shirt  
So shawty it's time to lay it down  
I like your boy shorts but they look better on the ground  
So now it's only one thing left to do  
Lets close all the blinds and dim the lights in the room  
It's only one thing left to do  
So leave it up to me this is what I'm gonna do

[Hook:]

Girl I'ma make your waterfall  
Girl I'ma make it soak and wet  
Girl I'ma make your waterfall  
Girl I'ma make it soak and wet  
Girl I'ma make your waterfall-fall  
Water fall-fall fall  
Girl I'ma make your water fall-fall  
Water fall-fall fall

[Verse 2:]

Knock Knock  
Baby I'm at your door  
Soon as I enter we get to kissing  
So what's next?  
Oh I'm rubbing on your chest  
You like it when I do that and I like it when you flex  
I'ma make you sweat I'ma make you wet  
I'ma make you guess what I'll do next  
When I dive up in your water have you feenin  
For this sex  
If you got a request just let me know just let me know  
I'll give it how you want it take it fast or take it slow

But if you didn't know  
There's only one thing left to do  
Let's close all the blinds and dim the lights in the room  
There's only one thing left to do  
So leave it up to me this is what I'm gonna do

[Hook:]  
Girl I'ma make your waterfall  
Girl I'ma make it soak and wet  
Girl I'ma make your waterfall  
Girl I'ma make it soak and wet  
Girl I'ma make your waterfall-fall  
Water fall-fall fall  
Girl I'ma make your water fall-fall  
Water fall-fall fall
