Niggaz be petrified, out in the streetz, it'z do or die
You Want Beef, grab yo' strap, saddle up and ride
When itz time to bang, my nigga I bang mine
Never leave a witness alive to testify
I-Identify, point the finger at me
Never get the chance to tell the judge, it was me
Man I threw him off, each and every civilian off that I
shoot 'em all
Don't even fuck and pull it off
I'm Mr.Raw, Mr.Pull It, I'm cut, niggaz act like they don't
know
Bet they know, wat's up, guaranteed to know the
outcome of drama
Wit'dis Hot Boy, just might lose yo' mama
Runnin' shop, +I'm Com'n+ in, you lose your prada
Don't up it, brains gets remove out'cha
I'ma ink a same nigga, we causin' them problems
Same nigga if you want'em, I got 'em-Come Holla

[Hook*Baby-n-'Lac*]

[B.G.]
