Happy summer sounds
The summer sounds I love

Listen to the music of the carousel
The tingleingle, lingle of the icecream bell
The splishing and the splashing and a moonlight swim
The roarin' of the waves when you're surf in

In June and July and August play a symphony
Under starry skies above
Happy summer sounds
The summer sounds I love

The travelling on a steamboat on a sunday cruise
The sizzle of the hotdogs and a barbecue
The squeaking of a rollercoaster way up high
Whistles on the beach when a peach goes by

Summertime is here
Wake up and come alive
Put away your scarf and glove
Here come summer sounds
The summer sounds I love

[BRIDGE]

Summertime is here
Wake up and come alive
Put away your scarf and glove
All together now

Here come summer sounds
Summer sounds, summer sounds
Here come summer sounds
The summer sounds I love
