I paralyzed a heart  
I paralyzed a brain  
Please don't tell me, 'cause I'm not the one to blame  
I paralyzed a arm  
I paralyzed a leg  
I paralyzed everything, I bet she'll do the same  
Yiyiyi  
Yiyiyi  
Yiyiyi  
Yiyiyi  
I paralyzed everything, I bet she'll do the same

I never been in love before so I'm kind of new at this  
Can you teach me how to kiss or love is better for me  
I think I don't remember anything, yiyiyi  
Sticks and stones may break my bones but, I'm never  
comein' down  
I like to give you kisses, how 'bout you come over here  
and give it to me, yeah

I paralyzed a heart  
I paralyzed a brain  
Please don't tell me, 'cause I'm not the one to blame  
I paralyzed a arm  
I paralyzed a leg  
I paralyzed everything, I bet she'll do the same  
Yiyiyi  
Yiyiyi
