I followed her to the station with a suitcase in my hand
And I followed her to the station with a suitcase in my
hand
Well it's hard to tell it's hard to tell, when all your love's
in vain
All my love's in vain

When the train rolled up to the station, I looked her in
the eye
When the train rolled up to the station, and I looked her
in the eye
Well I was lonesome I felt so lonesome, and I could not
help but cry
All my love's in vain

When the train it left the station, 't was two lights on
behind
When the train it left the station, 't was two lights on
behind
Well the blue light was my blues and the red light was
my mind
All my love's in vain

Ooh... (vocalized verse)
All my love's in vain
