I'm a drunken hearted man, my life seems so misery  
I'm a drunken hearted man, my life seems so misery  
And if I could change my way of livin', it would mean so  
much to me

I been dogged and I been driven, ever since I left my  
mother's home  
I been dogged and I been driven, ever since I left my  
mother's home  
And I can't see the reason why that, I can't leave these  
no-good women's alone

My father died and left me, my poor mother done the  
best that she could  
My father died and left me, my poor mother done the  
best that she could  
Every man likes that game you call love, but it don't  
mean no man no good

Now, I'm the drunken hearted man and sin was the  
cause of it all  
(spoken: Oh, play 'em now)  
I'm a drunken hearted man, and sin was the cause of it  
all  
And the day that you get weak for no-good women,  
that's the day that you bound to  
fall
