I got a kindhearted mama, do anything in this world for me
I got a kindhearted mama, do anything in this world for me
But these evil-hearted women, man, they will not let me be

I love my baby, my baby don't love me
I love my baby, ooooh, my baby don't love me
I really love that woman, can't stand to leave her be

Now there ain't but the one thing, makes Mister Johnson
drink¹
I get's worried² about how you treat me, baby, I begin
to think
Oh babe, my life don't feel the same
You breaks my heart, when you call Mister So-and-So's
name

She's a kindhearted mama, she studies evil all the time
She's a kindhearted woman, but she studies evil all the
time
You well's³ to kill me, as to have it on your mind

Some day, some day, I would shake your hand
goodbye
Some day, some day, I would shake your hand
goodbye
I can't give you anymore of my lovin', 'cause I just ain't
satisfied

Note 1: alternatively "dream" instead of "drink"

Note 2: alternatively "I's worried" instead of "I get's
worried"

Note 3: a dialectic contraction of "had just as well", still
in comon usage
