Yeah, girl, I just had me
One hell of a work week
It's been driving me crazy
Not enough of you, baby

And I've been a-thinkin'
'Bout breakin' in the weekend
Not doin' any sleepin'
So, get in, let's take a ride

And baby, let's go take a dirt road
Kick it back, find a good song on the radio
Till we get lost in the sunset falling
Lay a blanket by the creek where the moon peaks
Over that sycamore tree
And there won't be anyone watching, no one watching
Now, there ain't nothing wrong, baby, you and I
Gettin' down to some up all night

Now, don't forget your flip-flops
We can stop by the Quick Stop
Get some jerky and a twelve pack
No tellin' when we'll be back

I got a cooler in the truck bed
A couple towels when we get wet
'Cause you know we're gonna jump in
And take a little midnight swim

So baby, let's go take a dirt road
Kick it back, find a good song on the radio
Till we get lost in the sunset falling
Lay a blanket by the creek where the moon peaks
Over that sycamore tree
And there won't be anyone watching, no one watching
Now, there ain't nothing wrong, baby, you and I
Gettin' down to some up all night

Come Monday, I'll be back to workin' and savin'
But until then, yeah

Baby, let's go take a dirt road
Kick it back, find a good song on the radio
Till we get lost in the sunset falling
Lay a blanket by the creek where the moon peaks
Over that sycamore tree
And there won't be anyone watching, no one watching
Now, there ain't nothing wrong, baby, you and I
Gettin' down to some up all night

Yeah, me and you
Up all night
Yeah

Na na na na na na
Na na na na na na
Na na na na na na
