1. Jesus said to love one another,
For love is the fulfilling of the law.
He who doesn't have love for his brother,
Doesn't know the love of God at all.

CHORUS:

Let us love one another, love one another,
For love is of God, love is of God.
Let us love one another, love one another,
For love is of God, love is of God.

2. Love is always kind and very patient;
Jealousy and pride don't have a place;
If the world won't listen to your preachin',
Maybe they don't see the love upon your face.

3. Love is never glad about injustice;
It rejoices when the truth prevails.
Love is never selfish, rude, or touchy,
Love's the only thing that never fails.
