Come on and dance for me  
No one will know anything  
Come on and dance for me  
Would you let her go for tonight  
Come on and dance  
Pretty thing

Ooh oh uh oh  
I know that I have  
To tell her but I  
Can't stop looking at you  
It's a shame  
Last time she was here I went down  
To the cellar and I  
Whispered your name

Come on and dance for me  
No one will know anything  
Come on and dance for me  
Would you let her go for tonight  
Come on and dance  
Pretty thing

Oh oh oh  
I wish  
I was home  
Or in a prison somewhere  
I wish I never had seen you tonight  
She calls me and tells me how much  
She is missing me  
I feel alright

Come on and dance for me  
No one will know anything  
Come on and dance for me  
Would you let her go for tonight  
Come on and dance pretty thing

That's it, I give in  
I surrender  
I can't dance, I can't talk

I can't do anything, but look at you  
And how you look at me  
She'll collapse and scream  
All my friends  
Will defend her  
That's how this will be

Come on and dance for me  
No one will know anything  
Come on and dance for me  
Would you let her go for tonight  
Come on and dance pretty thing

Come on and dance for me  
No one will know anything  
Come on and dance for me  
Would you let her go for tonight  
Come on and dance pretty thing
