Don't event try
Pack up your up things and run home to your mum
You should know who I am and why
So don't try

Cause I'm Robert Ollinger and I'm in a game
Don't touch me one more time
Just look around
We'll blow you down
And drag you through town
Oh I wouldn't go there

Tell me your name
Tell me your name, I wont ask you again
Just like your brother you will hang, high
So don't try

Cause I'm Robert Ollinger and I'm in a game
Don't touch me one more time
Just look around
We'll blow you down
And drag you through town
Oh I wouldn't go there

Chavez is gone
He was my only friend, oh
Well he claimed I cheated, stole, and lied
Well he tried

But I'm Robert Ollinger and I'll get you to
If it takes me straight to hell
My heart is dead
I want your head
You heard what I said
Now come on and try me, oh
