Verse 1

We got the fever; I'm a believer
Can't help but feel it, baby, down in the
Dome

It's time to party; yeah, are you with
me?

Let's get it started with this Falcons
song

Bang on the drum; let's all sing along
It's time to celebrate; you know the
hunt is on

Chorus

We came to get down; we came to get loud
Let's get this party going; come on
let's
get it rolling
Look at the scoreboard; it's what we
came for
We're gonna shout about it; come on
let's sing about it

We came to get down! (x2)
Hotlanta's our town!

Verse 2

Turn up the music; it's time to lose it
The Georgia Dome is raging out of control

Let's bring the house down;
let's hear the whole crowd
Let's come together,
show 'em what we're
about

We pack a punch like a guitar crunch
Just like a rocket, let's get ready to
launch

Chorus

Come on, it's game time; get ready to
go
We got a party, the Dome is out of control

Chorus
