Come on!

Verse 1

Let me hear ya rock now, clap your hands  
Let me hear ya get down; bounce your head  
Let me hear ya do it if you understand  
Let me hear ya get loud  
Cause we're gonna win  
We're on fire; when its time you can just let go  
We won't stop, we're on top,  
and we're about to explode

Chorus

When the light hits the field and the game's on the line  
You'll know its for real when the Falcons fly  
We can't hide from the enemy, hot like a fire  
You'll know it's for real when the Falcons fly  
Come on, fight and don't stop, take flight  
If you're ready to run, come on fight and don't stop  
Come on, fight!

Verse 1

Chorus (x2)

Come on!  
Come on, fight!  
Come on!  
Come on, fight!
