Visit "Hey Hey" on MotoLyrics.com

Verse 1 Weâ#128##153#re feeling the fever, feeling the flow Feeling the Falcons ready to roll Feeling the fans all up in the stands Feeling the music, feeling the music

Feeling the beat, feeling the heat Feeling Hotlanta up on their feet Feeling the fire, feeling the hunt Feeling the frenzy, feeling the fun

Chours Hey, hey, here we go Let it rock, and let it roll Welcome to the Georgia dome Welcome to the danger zone

Hey, hey, what do ya say Let â#128##152#em know we came to play Let â#128##152#em feel the after shock Everybody join the flock (x2)

Verse 2 Weâ#128##153#re living out loud; weâ#128##153#re living the dream Weâ#128##153#re loving Atlanta, loving our team Weâ#128##153#re loving the Falcons, ready to fly Give me some football; give me some football

Give me the ball; give me the beat Give me the Georgia dome on their feet Give me the Falcons; give me the crowd Give me a party; give me a shout

Chorus (x2)
