When I'm with you  
I feel naked and sacred  
And this world can't be so cold  
And I want to hold you naked  
And sacred 'till I grow old

What love does mean?  
Can love last?  
I ask myself this question  
Haunted by the past  
I'd walked this city's streets  
I've known victories and defites  
Searching hoping just been coping

Baby I wanna be good for you  
I wanna be true  
Don't know how to live with my self  
If I ever hurt you

When I'm with you  
I feel naked and sacred  
And this world can't be so cold  
And I want to hold you naked  
And sacred 'till I grow old  
Since I've met you (since I've met you)  
My life has changed (my life has changed)  
I feel like a bird  
That has been let out of it cage

Baby I wanna be good for you  
I wanna be true  
Don't know how to live with myself  
If I ever hurt you  
When I'm with you  
I feel naked and sacred  
And this world can't be so cold  
And I want to hold you naked  
And sacred 'till I grow old

Naked and sacred, naked

Your faith is healing me  
Your love's feel me  
When you re going  
Your heart is still in need

Naked and sacred  
And this world can't be so cold  
And I want to hold you naked  
And sacred 'till I grow old

When I'm with you  
I feel naked and sacred  
Next to your heart of gold  
And I want to hold you naked  
And sacred 'till I grow old
