I've been feeling, I've been feeling
I've been feeling like you messed me around
I've been hurting, I've been hurting
I've been hurting but there's no way out
I've been hurting but there's no way out

I've been reeling, I've been reeling
I've been reeling since the day you left
Now I'm wondering, I'm wondering
I said, I'm wondering how you know regret
I'm wondering how you know regret
I said, I'm wondering how you know regret

Chorus

You got a heart of stone
You got a heart that feels so cold
So I'm not letting go
I'm just letting you know
You got a heart of stone, yeah

I've been thinking, I've been thinking
I've been thinking since you put me down
I'll be better, I'll be better, babe
I'll be so much better off without
I'll be better, better off without
I'll be better, better off without

Chorus

You got a heart of stone
You got a heart of stone

You got a heart of stone
You got a heart that feels so cold
Still I'm not letting go
I'm just letting you know

You got a heart of stone

You got a heart that feels so cold

(I'm gonna let you know) I'm not letting go

(You got a heart of stone) I'm not letting go, no, no, no, no

(You got a heart of stone) I'm not letting go, no, no, no, no
