I was told that you'd be somewhere else
It's just that
I never thought you'd leave me behind
Perhaps in time I'll realize, it's justified

You must have warned other than myself at least I
I can't find any other reason why
Perhaps in some time I'll realize it's justified
It's justified

Ooohh, don't you ever forget me girl
You got a lot to learn
You never fail to make me wonder why
In all this time

I could had guessed that there was someone else
It's just that
You told me that you'd always be mine
Perhaps in time I'll realize it's justified

You never thought other than of yourself
At least I, I could had had a reason why
Perhaps in time I'll realize it's justified
It's justified
Ooohh, don't you ever forget me girl
You got a lot to learn
You never fail to make me wonder why
In all this time that you've denied
You had the chance to tell me why
