Bloody and smokey
Scary and shorty
I must put her asleep
She's like bloody mary
She screams and shouthes
Larry I wounder how much it will take

She's here
She's here
You better run
She's here
She's here
Are you ready to have fun

C.I.N, D.E.R, E.L.-L.A.
Cinderella
She's the girl you
Never wanna meet
Yeah
C.I.N, D.E.R, E.L.-L.A.
Cinderella
She's the girl
Who is a scary monster
Bish.
Yeah

She'll never stop
She's great
She smokes pot
I must kill her Yeah
She's like everything else
She Hip-Hops like me I
Wish she could die all ready

She's here
She's here
You better run
She's here
She's here
Are you ready to have fun
