The air is cold tonight, is gun powder in my eyes,
This is the evil battle, yes.
I left my other line behind, all I can see is the front line,
This is the evil battle.

Is this real? This cause I'm fighting for.
Am I real? I don't know anymore.

What do I stand for?
Am I left, am I right, am I up and down?
Am I east, am I west, do I wear the crown?
Is my greed worth dying for?
What do I live for?
Can you tell in my face what my heart beats for?
Do the words that I speak show it to the call?
It's my grow outshine the stars? Can you see my coat of
arms?
Can you see my coat of arms?

The drummer boy's getting ready, I'm trying to keep
my hand steady,
This is the dawn of battle, yes.
I've never been this afraid, forgot my family and my
name,
This is the dawn of battle.

Is this real? This cause I'm fighting for?
Am I real? I don't know anymore.

What do I stand for?
Am I left, am I right, am I up and down?
Am I east, am I west, do I wear the crown?
Is my greed worth dying for?
What do I live for?
Can you tell in my face what my heart beats for?
Do the words that I speak show it to the call?
It's my grow outshine the stars? Can you see my coat of
arms?
Can you see my coat of arms?

Every second counts as the clock ticks back and forth,

Time is running out, tell me, do you know for sure
Who you are, 'cause you only have one life to live.
You only have one life to live.

What do I stand for?
Am I left, am I right, am I up and down?
Am I east, am I west, do I wear the crown?
Is my greed worth dying for?
What do I live for?
Can you tell in my face what my heart beats for?
Do the words that I speak show it to the call?
It's my glow outshine the stars? Can you see my coat of
arms?
Can you see my coat of arms?
