I'm the head and not the tail  
I'm above and not beneath,  
I'm the apple of His eyes;  
The blessings of God brings wealth without sorrow  
It's good to wait on the Lord.

#### CHORUS:

God is enough  
For me and my family,  
In the city and the land  
I am blessed;  
The Lord is my shepherd,  
I shall not be in want (because)  
God is enough for me  
(Repeat)

#### VERSE 2:

With God on my side  
All things are possible,  
I will never be afraid;  
In doing his word,  
His blessings will follow me  
All the rest of my day.  
(Repeat chorus)

#### BRIDGE:

God is enough (He's Jehovah Jireh)  
God is enough (He's Jehovah Rapha)  
God is enough for me; (He's Jehovah Nissi)  
God is enough (He's enough)  
God is enough (God is enough)  
God is enough for me (He's the savior of my life)  
(Repeat)

#### FINE:

God is enough for me
