Solo 1:

If you have faith like the grain  
Of the master seed  
You will say,  
To this mountain be thou remove  
And be cast into the sea,  
If you believe with your whole heart, hum  
You will have your miracle today  
If only you believe

CHORUS:

If only you believe (If only you believe eh)  
If only you believe (believe)  
Everything will be alright.  
(Repeat chorus)

Solo 2:

There'll be no barrenness in your land  
If you believe,  
Look up to Jesus  
The author of your faith  
You will have a miracle  
He will turn your pain into praise, hum  
You will see the glory of the Lord,  
If only you believe.  
(Repeat chorus & solo 1)

Everything will be alright
