Picture Me in time of plenty
Picture Me when the house is empty
Picture Me in the river flowing
Picture Me when there's nothing's growing
I am there with you, I am there with you

Picture Me in the church on Sunday
Picture Me in the car on Monday
Picture Me when it all goes well
And picture Me when it feels like
And I am there with you, I am there with you

Now and then it's forgotten
That's when your strength fails
Lift your eyes to heaven
And find the way, find the way

Picture Me in the early sunrise
Picture Me in the darkness of night
Picture Me when the way is easy
Picture Me when you are needy
I am there with you, I am there with you

Walk the path that's waiting
Fears won't make you stray
There's a home that's waiting
If you find the way, find the way

You may not know, and I'd love to show you
That you can make it so
But how can you see with your eyes closed?
Picture Me, Picture Me, Picture Me, Picture Me
