Talking:

You maketh your sun to rise on the evil, and on the
good, you sendeth rain
On the just and unjust, you are the sun I behold, you
are the light that
Lighten my path,
in you there is hope, in you there is life,
In you there is safety,
In you there peace for evermore,
In you there is strengths, in you there is love, in you
there is healing
And deliverance, in you there is liberty, in you there is
restoration, in
You there is revolution, in you there is compassion, in
you there is love,
In you there is joy unspeakable ah,
You are the sun I behold

CHORUS:

You are the sun I behold,
You are the air that I breathe,
Jesus you are my bright-
Morning star,
You are the sun I behold,
You are the air that I breathe,
Jesus you are, you are my light.

Solo 1:

My morning star, you are the light of men,
Thy word is a lamb to my feet,
Jesus, you are the sun,
You shined, all over me, (Let's sing you are sun)
(Repeat Chorus)

SOLO 2:

My brighter king, you shined in darkness,
And the darkness cannot comprehend you,
You are the light,

That brings transformations,
You shined, all over me,
(Repeat Chorus 2XS)
