I'm not here to be left in silence
I'm not here to be left alone
I don't wanna be somebody you can do whatever you
want with
No, I'm not gonna be that guy
No, I don't wanna be the kind that's left behind

Cause I
I feel so alive
Not wasting my time

When you're lost in a hopeless situation
And you can't see why you're on your own
Don't come running back to me, don't beg,
Don't try to say that you're sorry
No, I'm not gonna be that guy
No, no, don't wanna be the kind that's left behind

Cause I
I feel so alive
Not wasting my time
Tonight
I made up my mind
Not wasting my time on you no more

I'm not here to be left in silence
I'm not here to be left alone
I don't wanna be somebody you can do whatever you
want with
I'm not here to be left alone
Don't come running back to me, don't beg,
Don't try to say that you're sorry
I'm not here to be left alone

I
I feel so alive
Not wasting my time
Tonight
I made up my mind
Not wasting my time on you no more
