Whispering
Saying that you'll always be here
There's no one but me
Always shining
This place we've never been

I'm home
Loving, lying
Oh oh oh
I'm home
Living, dying
Oh oh oh

Ooh oh oh

Tender touch
Tempting with your velvet skin
How you're always making me feel
Like you've been waiting
You and me are one

I'm home
Loving, lying
Oh oh oh
I'm home
Living, dying
Oh oh oh

Ooh oh oh

I am trying to give you all I got
But you don't give anything
Give anything
Give anything to me
[x2]

Loving, lying
Am I home?

Loving, lying
Am I home?

Living, dying
Am I home?

Ooh oh oh
