I can be brave
I can be strong
I can be everything you want

I look at the stars
They make me believe
That you were made to
Shine for me (shine for me)
Shine for me

Fly
Spread my wings
What can I do to make you
Mine
I'm running in circles
What can I do to make you
Mine
Mine
Cause you are my starlight
Mine
Mine

Cause you are my starlight
You are my starlight

I can be fake
I can be real
I can be everything you need

Yo, you make my light shine
All I need is you in this lifetime
Sit back while I gaze at the star line
Beautiful how you make the star shine
When we kiss and hold hands
True definition of romance
I like the way you move when you slow dance
These other ladies got no chance
Cause
You're the queen and I'm the king
Now touch me as I spread my wings

Fly
Spread my wings
What can I do to make you
Mine
I'm running in circles
What can I do to make you
Mine
Mine
Cause you are my starlight
Mine
Mine

Cause you are my starlight
You are my starlight
You are my starlight
You are my starlight

Fly
Spread my wings
What can I do to make you
Mine
I'm running in circles
What can I do to make you
Mine
Mine
Cause you are my starlight
Mine
Mine
Cause you are my starlight
Mine
Mine
Cause you are my starlight
Mine
Mine
Cause you are my starlight
