(Hook)

We're in this bitch, we turn it up,  
Swagga on a hundred, purple in my cup  
I tell my young thugs don't shut up the club  
Cause I see some ladies tonight  
That should be having my baby,  
That should be having my baby,  
That should be having my baby,  
That should be having my baby, baby.

(Verse)

Dope boy, fresh, I can make her cookin up,  
We're in this bitch deep, so who gives a fuck?  
Keep them buzzes coming, let them know that I'm  
turning up,  
See about 20 bad bros that I wanna cut.

(Pre-Hook)

Get that, she could, she could get that,  
Sexy little fixing, mama, let me hear that.  
So reach up your life tonight by just rolling with me,  
You'll be a millionaire if you have my baby.

(Verse)

No kids but with the practice, had enough to be an

actress,  
You just wanna get me mad love, don't be mad on my  
mattress.  
Hennessy, apple, juicy goose I got a four ball,  
More dope, house party, team is here, you better watch  
your back.  
Got a new caught every new day, top is off and no two  
pay,  
Flow is stupid but we bushay, come tomorrow I'm in a  
new state.  
So tonight let's make one, me and Jonn bout to race  
home,  
Bunch of bitches all chasing, getting hot talking  
causian.

So tell my young thugs they ain't gotta show,  
Spring too many women, here for me and you  
Let's just pop some bottles, and we're gonna keep it
