We kissed
We loved
Keep it a secret, my baby doll
You never have to worry any more

(Haha)

I love you
You love me
U & I, that's all I have to say
You never have to worry any more

(Hehe)

This is our life, but, no one cares about me
They only love you but, what about me
I fill left out, without you
It's like I'm in jail, again

(GO)

U & I, were meant to be, yeah
Two in one, that's what we need
I'll write you a symphony
You never have to worry about a thing
'Cause you're girl, climb up here
Just give me a kiss, my baby
U & I, were meant to be, yeah
Two in one, that's what we need
I'll write you a symphony
You never have to worry about a thing
'Cause you're girl, climb up here
Just give me a kiss, my baby

We hugged
We danced
I all need is someone to share there feeling with me
You never have to worry any more

(Haha)

All I need
I need you
Me & you is all I really need

(Woha woah)

You never have to worry any more

(Hehe)

All we need is cheering, our relationship is comin' alive
I don't wanna play games, you're my baby doll again
I fill left out, without you
It's like you're really here with me

(Yeah eah)

U & I, were meant to be, yeah
Two in one, that's what we need
I'll write you a symphony
You never have to worry about a thing
'Cause you're girl, climb up here
Just give me a kiss, my baby
U & I, were meant to be, yeah
Two in one, that's what we need
I'll write you a symphony
You never have to worry about a thing
'Cause you're girl, climb up here
Just give me a kiss, my baby

This is our life, but, no one cares about me
They only love you but, what about me
I fill left out, without you
It's like I'm in jail, again

Woha
Woah
I love you

(Go)

U & I, were meant to be, yeah
Two in one, that's what we need
I'll write you a symphony
You never have to worry about a thing
'Cause you're girl, climb up here
Just give me a kiss, my baby
U & I, were meant to be, yeah
Two in one, that's what we need
I'll write you a symphony
You never have to worry about a thing

'Cause you're girl, climb up here
Just give me a kiss, my baby

(Bye bye)
