Leprosy

All my fingers seem so far away  
But it looks like my ears are here to stay  
Oh I'm diseased with leprosy

Suddenly  
I'm not half the man I used to be  
There's a shadow where my arm should be  
Oh leprosy came suddenly

Where did my foot go?  
I don't know  
I can't say

I said my foot's gone  
It's not that fun with leprosy

Leprosy  
Catch was such an easy game to play  
Without my arm I need to find away  
Oh I'm diseased with leprosy

Now where did my foot go?  
I don't know  
I can't say

I said I can't find my toe  
Now I hate my leprosy

Leprosy  
Catch was such an easy game to play  
Without my arm I need to find away  
Oh I'm diseased with leprosy
