Would you kiss me
If I told you
I was big, and hairy
Not even strong, and snot is coming out of my nose

Would you hug me
If I kissed you
With a spit and slobber mouth
With a big head, and an alien suit

Would you say
That you love me
If I said
That I was an alien head

'Cause I love you
And you do too, right (right)
I have a big head
Because I'm an alien head

Make a flip
From all the troubles I did
Big and strong, brave and strong
Alien head
Alien Head

[illegible]

Alien Head
Alien Head
Alien Head

It's not that easy
I swear to god
We love you god
But, I'm an Alien Head

Do love me
'Cause I love you
I'll transform
Into an Alien Head, Alien Head
(Yeah)

Make a flip
From all the troubles I did
Big and strong, brave and strong
Alien head
Alien Head

It's not the same
Without you, and you love me-hee too
Alien head
Alien wood
Make me, could ya
Love me, Alien Head
Alien Head
Alien Head
Alien Head
Alien Head
