This world is crazy

Na na(21x)

Na na(21x)

Those people out there  
Are gettin' rid of me  
But, I don't care as long  
As we see you and me  
Baby, baby

I'm out of my mind  
I think it's divine  
Your wasting my time  
When I learn to fly  
Imma take you so high  
We might just die, die

This world is crazy  
Your not my baby  
It's gettin crazy  
This world is crazy

There's people throwing soda cans  
Try to catch me if you can  
Let me, let me hold your hand  
This world is crazy  
There's people jumping off the roof  
Were just doing what we do  
It's only me, it's only you

This world is crazy

Na na(21x)

Na na(21x)

Is it truth or dare?  
I swear, I must be scared  
But, I don't even care

I need you, need you, need you here  
So, you better beware  
(Better beware)

I'm out of my mind  
I think it's divine  
Your wasting my time  
When I learn to fly  
Imma take you so high  
We might just die, die

This world is crazy  
Your not my baby  
It's gettin crazy  
This world is crazy

There's people throwing soda cans  
Try to catch me if you can  
Let me, let me hold your hand  
This world is crazy  
There's people jumping off the roof  
Were just doing what we do  
It's only me, it's only you

This world is crazy

There's people throwing soda cans  
Try to catch me if you can  
Let me, let me hold your hand  
This world is crazy
