I'm so obsessed with
This other girl I feel stress
I just can't help it get this alien
Off off her chest now I'm feeling tear's
I hear the crowd hear them cheer

I'm feelin' greedy I'm feelin'
Lost you listen to me and don't get lost

I can see you comin' over
I can see you lookin' at me
I can't see you in the winter
There's too much snow the wind is so hard
I can hardly smell her hair
I can see you comin' over
I can see you lookin' at me
I need a girl
I need a girl please

Please please please
I need a girl have some kid's drink
The booze and the tear's

I'm feelin' greedy I'm feelin'
Lost you listen to me and don't get lost

I can see you comin' over
I can see you lookin' at me
I can't see you in the winter
There's too much snow the wind is so hard
I can hardly smell her hair
I can see you comin' over
I can see you lookin' at me
I need a girl
I need a girl please

I can hardly smell the girl
And her hair hair hair hair
I can see you comin' over
I can see you lookin' at me
I can see you comin' over

I can see you lookin' at me
I'm feelin' greedy I'm feelin'
Lost you listen to me and don't get lost

I can see you comin' over
I can see you lookin' at me
I can't see you in the winter
There's too much snow the wind is so hard
I can hardly smell her hair
I can see you comin' over
I can see you lookin' at me
I need a girl
I need a girl please
Hey hey hey
