I'm the one you like
I'm the one you know
I'm the one who makes you smile
I'm the one who takes it slow
(Oh oh ohh Oh oh ohh)

I can make it right
Witch one do you want a choose
Give me a kiss and never
Let loose

Never give up and never
Let loose I can't tell you
I have a dark secret
Drop it drop it drop it down low
(Hey hey hey hey Ohh)
Pretty pretty please
Take it slow

I'm the one who gives you love
I'm the one who gives you hugs

I can make it right
Witch one do you want a choose
Give me a kiss and never
Let loose

Never give up and never
Let loose I can't tell you
I have a dark secret
Drop it drop it drop it down low
(Hey hey hey hey Ohh)
Pretty pretty please
Take it slow

Never give up and never
Let loose I can't tell you
I have a dark secret
Drop it drop it drop it down low
(Hey hey hey hey Ohh)
Never give up and never

Let loose I can't tell you
I have a dark secret
Drop it drop it drop it down low
(Hey hey hey hey Ohh)

Never give up and never
Let loose I can't tell you
I have a dark secret
Drop it drop it drop it down low
(Hey hey hey hey Ohh)
Pretty pretty please
Take it slow
