Love suck's when your lover is out
Hey, hey
You, you
Wanna go out
I don't care my love is out

Let's go (Eh Oh)
(Eh Oh)

People say you should go
Then I say the same with a punch and a kick
La, la
La, la
Lets go (Eh Oh)
I don't care my love is out

Lets go (Eh Oh)
(Eh Oh)

I can say what the heck I want about my wife your not
the boss
Of me so back off this is my life hello & hi = U & I

Imma sit at home and watch T.V.
I lost my clothes & your not here I need ya now
I love ya babe
Baby, U & I
Imma talk, talk, talk & do some other things
Baby U & I
