I walk the walk when kiss, kiss, kiss Oh yeah
Someday The shawshank = redemption
We Have The World To Ourselves
We Have The World To Ourselves

We kiss and kiss and then, and then, and then oh yeah
Someday a heart = heart broken, broken, broken Oh
yeah, Oh yeah
We Have The World To Ourselves
We Have The World To Ourselves

I don't know what to do, or say to you
It's kind of hard to say, say, say oh yeah
I love you
