This world is crazy

Na(21x)

Na(21x)

Those people out there  
Are gettin' rid of me  
But, I don't care as long  
As we see you and me  
Baby, baby

I'm out of my mind  
I think it's divine  
Your wasting my time

Na, na

When I learn to fly  
Imma take you so high  
We just might die, die

Na, na

This world is crazy  
Your not my baby  
It's gettin' hazy  
This world is crazy

There's people throwing soda  
Cans Try to catch me if you  
Can let me let me hold your hand  
This world is crazy  
People jumping off the roof  
Were just doing what we do  
It's only me, it's only you

This world is crazy

Na(21x)

Na(21x)

Is it truth or dare?  
I swear, I must be scared  
But, I don't even care  
I need you, need you here  
So, you better beware

I'm out of my mind  
I think it's divine  
Your wasting my time

Na, na

When I learn to fly  
Imma take you so high  
We just might die, die

Na, na

This world is crazy  
Your not my baby  
It's gettin' hazy  
This world is crazy

It's only me, it's only you
