I was six and she was ten
When we are together
Were couple's not freind's
So I was ten and she was four
We walk together
I want to see some booty-
On the dance floor
I'm in love
And she got fired
So I got hired
Wow she was on fire
I like to party hard
And I miss that liy'r

So lets go in my van
Want to hear some music
Well I have a band
I now have a girlfreind
She now has a boyfreind
Together we are couple's
No we are not freind's
Were more than that

Tell me what's next
I got a do my best
Get an A on that test
What Kind Of Girl are you
Tell me what's next
I got a do my best
Get an A on that test
WHAT KIND OF GIRL are you
WHAT KIND OF GIRL are you

I'm one of them so follow me
I've got a laptop
Wanna video chat
That is that yeah
What kind of girl are you
Can you sing or dance
Paparazzi every where take off your pant's
Don't walk away when I'm talking to you yeah yeah yeah

- yeah yeah yeah

I don't care what you say what kind of girl are you HEY

Tell me what's next
I got a do my best
Get an A on that test
What Kind Of Girl are you
Tell me what's next
I got a do my best
Get an A on that test
WHAT KIND OF GIRL are you
WHAT KIND OF GIRL are you

Are you famous or proud
Give me love get on stage get out that crowd
This is long as a song
Don't act like your wrong
Just pretend your strong and I'll be there when you die
tonight.
