Hangin' out in our tent on that weekend.  
I couldn't skip it,  
"Campin'" out with my best friend.  
I couldn't wait for the DJ,  
And the dancin'.  
I remember that's the third time that I saw him there.  
He's dancin' with everyone,  
'Cuz he's so drunk.  
I'm kinda nervous,  
'Cuz I think that he is so hott!  
He's the one,  
He'll always be there.  
He took my hand,  
And we danced everywhere.

**\*CHORUS\***

And I fell in love  
With a guy at the rally.  
I said what,  
And he gave me another lap dance.  
He's so cool,  
He offered us lots of beer.  
Everything's better when he's around.  
Can't wait 'till the rally comes back in town.  
I fell in love  
With a guy at the rally.

When I said that I was gonna move to NY.  
I remember the advice that Doug gave us.  
Tent sex was all Doug needed.  
I don't know why I wanted to f\*\*\*in' kiss him.

**\*CHORUS\***

I kept my feelings for him on inside.  
My mom would have had my hide.  
He always kept me waiting.  
And if I ever got another chance,  
I'd still ask him to dance,  
Because I love him so much.

**\*CHORUS\***

With a guy at the rally,  
With a guy at the rally,

With a guy at the rally,  
With a guy at the rally,  
With a guy at the rally.  
\*repeat 'til faded\*
