Deep in my heart
I've got this strong belief
That I can do
Anything I want to

I am
Reaching for the stars
No matter how far
I know someday I'll make it through
I reach for the stars I'll find a way
No matter what it takes
I know someday my dreams come true
I reach for the stars-ah-ah-ah

I'm in this world
And I just have to take that chance
Somehow I know
This is the time to let go

I am
Reaching for the stars
No matter how far
I know someday I'll make it through
I reach for the stars I'll find a way
No matter what it takes
I know someday my dreams come true
I reach for the stars-ah-ah-ah

I know the road will be long
But I'll keep moving on
Cause it is real, it my destiny
Oh-oh-oh

I know that time will show
I'll reach for the stars
