[Intro: 50 Cent]

Yeah

Supposed to have a remix

That's how you make

One hit record, and then two

Haha, 50 Cent

G G G G G-Unit

I remember when you used to love me

You used to kiss and hug me

I look into your eyes and get lost for a day

You love me is what you told me

All the time I let you hold me

How I in fear you slippin' away

[Verse 1: Justin]

You were my sun, you were my earth (Uh huh)

But you didn't know all the ways I loved you, no (G G G  
G G-Unit)

So you took a chance, and made other plans (Yeah)

But I bet you didn't think that they would come crashing  
down, no (C'mon)

[Hook 1: Justin]

You don't have to say, what you did

I already know, I found out from, him

Now there's just no chance

With you and me, there'll never be

Don't it make you sad about it?

[Hook 2: Justin]

You told me you love me (Whoa)

Why did you leave me all alone?

Now you tell me you need me

When you call me on the phone (Uh huh, Uh huh)

Girl I refuse

You must have me confused with some other guy  
(Yeah)

The bridges were burned

Now its your turn, to cry

[Chorus: Justin]

Cry me a river  
Cry me a river  
Cry me a river  
Cry me a river  
Yeah, yeah (Ahhh)

[Verse 2: Justin]

You know that they say somethings are better left  
unsaid (Uh huh)  
It wasn't like you only talked to him  
And you know it, Don't act like you don't know it (Yeah)  
All of these things people told me  
Keep messin' with my head (Messin' with my mead)  
Should of picked honesty  
Then you may not have thought it  
Yeah (whoo)

[Hook 1: Justin]

You don't have to say, what you did  
I already know, I found out from, him  
Now there's just no chance  
With you and me, there'll never be  
Don't it make you sad about it? (Uh huh)

[Hook 2: Justin]

You told me you love me (Whoo)  
Why did you leave me all alone?  
Now you tell me you need me  
When you call me on the phone (Uh huh, yeah)  
Girl I refuse  
You must have me confused with some other guy (you  
must got confused)  
The bridges were burned  
Now its your turn, to cry

[Chorus: Justin]

So cry me a river (Uh huh)  
Cry me a river (C'mon)

Cry me a river

[Verse 3: 50 Cent]

50 Cent  
If you know what I know, you know  
You ain't gotta say a word  
It's done in the dark, comes to light, I'm flippin' kick it

Your smile all up in my face, girl you gotta a lot of  
nerve  
Situation so absurd

You ain't special, you's a bird (Whoo)  
Get yo' shit and hit the do'  
You ain't welcome here no mo'  
Ain't no sense in your cry  
Girl you know I know you lie  
You must take me for a fool  
Thinkin' I'ma stay with you  
First gimme back my jewels  
Bitch I ain't playin' with you

[Hook 1: Justin]

You don't have to say, what you did  
I already know, I found out from, him (Whoo)
