I love the way you make me love you  
I love the way you make me smile  
I love the way you make me want you  
Sit right down and stay awhile, hmm-mm-mm-mmm

'Cause with you by my side  
I know I can make it  
Oooh, just give me your love  
I want you so much and I love you (Oo-oo-oo-ooo)

(Instrumental)

Of all the times we've been together  
It's so hard to let them go  
Or could it be it'll last forever  
Only time will let us know, Oo-oo-oo-ooo

'Cause with you by my side  
I know I can make it  
Ooo, just give me your love  
I want you so much and I love you (Oo-oo-oo-ooo)  
And I need you (Hmm-mm-mm-mmm)

(Instrumental)

I love the way you make me love you  
I love the way you really do  
For me there couldn't be no other  
Just thinkin' the things that we've been thru, Oo-oo-  
Oo-ooo

'Cause with you by my side  
I know I can make it  
Oooh, just give me your love  
I want you so much and I love you (Oo-oo-oo-ooo)  
And I need you, Oo-oo-oo-ooo  
And I love you, Hmm-mm-mm-mmm  
And I need you, Hmm-mm-mm-mmm  
And I love... you... Oo-oo-oo-ooo...

I... yeah, Hmmm

I... Oooo...  
Oooo...  
Laaa...

I love you  
I love you  
I love you  
La la la...
