Verse 1:

It's so emotional, what I'm feeling
I never been caught between a hard place
I know he's cheating and I want to have her
But he's my homeboy

Hook:

I know that he's my homeboy
I know that he's her man
But I've been dreaming of a stormy love affair
Plus he does her so wrong
I want to treat her right
I know that he's my home's
But I wanna be with her

Bridge:

I'm faced with dilemma
Don't wanna lose my boy
I don't know what to do
But I wanna be with....

Breakdown:

Her.... she's sexy
Him.... he's bitchy
Her.... she's classy
Him.... he's stupid
Her.... 'cause I wanna be with.... Her
We should be more than friends
It is just what it is

Repeat Hook
