no time is like this time should we make a call tonight

could you do me a solid, will you nollie said he'd be
here

said he'd be here, nollie's coming could you do me a
solid

will you and so we set on multiple fire we should stop
cause

I'm not getting higher

going in again

I can't cover it

get in your car 25 minutes

could you do me a solid, will you nollie said he'd be
here

said he'd be here, nollie's coming could you do me a
solid

will you and so we set on multiple fire I'm just shocked

cause we're not getting higher

hey kid, hey kid what's happening what's going on
tonight

could you dome a solid, will you, no, I won't look into
the sun again

well I detect a blue pathfinder eject the core and
lighten up the

payload. time's up and now you got to go

I hope you get home safe in the taurus.
